

# Embodied Listening: Awakening to the Spirit of Place

Campfire in the Heart, Alice Springs, Australia  
**8 - 13 September 2024**  
Sunday after lunch to Friday mid morning

with Susanna Pain

Come, rest, meditate, play, and reflect in the expansiveness of the magnificent central desert, beside ancient red rocks, under giant river red gums, in the sand, and around open fires.

We will be silent, listen, move, make art, sing and tell stories that connect us with ourselves, each other and the spirit of the land herself.

Immerse yourself...

Play in an embodied way using InterPlay tools and principles...
