

# DEEP SIMPLICITY

## THE FREEING WISDOM OF MEISTER ECKHART

FOUR ON-LINE SESSIONS

WITH REV. MARK S. BURROWS, PH.D.

Here is a truth that we can scarcely  
imagine: where God is there is the soul,  
and where the soul is, there is God.

Think about it. When you do, you'll stop  
looking for God here or there, now or then,  
and pay attention to where you are and

who you are in your soul. Only then  
will you finally see that the soul and  
God are one. The rest will be easy.

'Stop Looking' by Mark S. Burrows & Jon M. Sweeney,  
in *Meister Eckhart's Book of Secrets* (2019)

The poem 'Stop Looking' invites us to imagine interrupting our assumptions so that we might begin to 'start seeing'—anew. This is the path of discovering that 'simplicity' is the mystery at the heart of reality, and that this reality changes everything. Or could, if we 'stop looking' and 'start seeing.' Each of these sessions will invite us into that 'deep simplicity' by exploring a theme central to Meister Eckhart's radical wisdom.
